

13 October 2022

Dear Parent or Carer,

**RE: Sixth Form Open Evening**

I am looking forward to welcoming you to the Sixth Form Open evening on 20 October, running from 6.00 pm - 8.00 pm. Here you will be able to discover the options available at Driffield School post 16 and what student life is like in the Sixth Form.

For the evening, we have split the year group up into 5 groups which will move around 5 locations every 20 minutes over the course of the evening. This way no one area will become overcrowded, enhancing the quality of conversations. The groupings, arranged alphabetically, can be seen below, along with the first location each group should start the evening at:

Group	Surname	Starting Location	Activity
1	A-C	East Hall	Head of Sixth Form presentation
2	D-H	North Hall	Subject Fair
3	I-M	N4/N5	Subject Fair
4	N-S	Common Room	Sixth Form Life Refreshments
5	T-W	Performing Arts	Subject Fair

Each group will be met at their first location by a Sixth Form student who will stay with you throughout the event to help you get to each location on time. There will be a range of subjects available in each of the subject fairs. In the week prior to the event the new 2022/23 prospectus will go live on the website and will be launched with students through their tutor sessions.

There is an additional session at 5.40 pm in the East Hall where any students interested in a potential career in medicine, dentistry, or veterinary medicine can learn about our highly successful MEDSOC programme.

Parking is available on the West playground and at the front of the school.

Yours faithfully,

Mr D Andrews  
Head of Sixth Form
